Nashak Enterprises is a leading manufacturer and supplier of premium boxing equipment, dedicated to delivering high-quality products for athletes, brands, distributors, and sports businesses worldwide.

With a strong focus on craftsmanship, durability, and performance, we specialize in the production of boxing gloves, head guards, punching bags, protective gear, and custom boxing equipment. Our manufacturing process combines skilled workmanship with quality materials to ensure products that meet the highest industry standards.

At Nashak Enterprises, our mission is to support the growth of combat sports by providing innovative, dependable, and professionally crafted equipment trusted by customers around the world. We are committed to excellence, customer satisfaction, and building long-term partnerships through quality manufacturing and exceptional service.

WHY CHOOSE US

THE NASHAK DIFFERENCE

Eliminating waste through relentless quality control to maximize bottom-line value.

Quality Control

Zero-compromise standards, every unit

- ✓ Inline QC at 3 critical production stages – cutting, stitching, and final assembly
- ✓ Physical stress-testson stitching tensile strength, padding density, and closure integrity
- ✓ Third-party pre-shipment inspection available (SGS / Bureau Veritas)
- ✓ ISO 9001:2015 certified facility with documented SOPs for every product line
- ✓ Defect rate maintained below 0.5% – industry benchmark is 2-3%

0.5% Defect rate
across all line

Value Maximization

Premium quality at manufacturer pricing

- ✓ Direct Factory pricing — no middlemen, no inflated margins on your supply chain
- ✓ Volume-tiered pricing structure with transparent cost breakdowns per order
- ✓ Free Development sample for qualified buyer (order threshold applies)
- ✓ Flexible payment terms: T/T, LC, and DP available for established partners
- ✓ Consolidated shipments to reduce per-unit freight cost on multi-SKU order

30% Avg. cost saving
vs. retail sourcing

WHY CHOOSE US

THE NASHAK DIFFERENCE

Bridging the gap between manufacturing and delivery with absolute transparency.

Full Spectrum Logistics

Factory to your door, handled entirely

- ✓ Sea freight (FCL/LCL) air cargo, and express courier—all modes coordinated in-house
- ✓ Complete Export documentation: COO, commercial invoice, packing list, and B/L preparation
- ✓ DDP / DDU / FOB /C& Incoterms – we match your preferred markets
- ✓ Customs clearance assistance for USA, UK, and GCC markets
- ✓ Real– time shipment tracking shered via your dedicated account dashboard

40+

Countries Shipped
to directly

Transparent Delivery

No surprises, no hidden costs, no delays

- ✓ Confirmed Production Schedule shered at order placement—week-by-week milestone updates
- ✓ Dedicated account manager as your single point of contact throughout production
- ✓ Photo & video Production updates at key milestone (sample approval, bulk cut, packing)
- ✓ Proactive communication on any material lead–time change — no surprises
- ✓ Post–delivery follow–up on product performance and repeat order planing

99%

On-time delivery
rate, 5yr avg.
